**Subject:** the over powering smell in this town from the  
paper mill please do something its causeing  
overwhelming head aches and at night time the  
smell is so bad you cant go out side please help

**Message:** The smell here from the paper mill only seems to be  
getting worse please do something about it its causing  
head aches and breathing problems at night time they  
pump overwhelming amounts of chemicals in the air  
please do something about these problems , I see them  
as a serious health problem please fix these problems  
here in **crossett** arkansas
